

Course 16 — Final Portfolio Assessment Rubric

Criterion	Beginner (1)	Developing (2)	Proficient (3)
Site structure	Missing sections or broken layout	All 5 sections present, minor layout issues	All 5 sections present, responsive, no console errors
Bio	Generic or missing	Present but generic/corporate-sounding	Honest, specific, matches the bio formula
Case studies (2–3)	Fewer than 2, or vague	2–3 present but thin on detail	2–3 present, each follows Problem/Approach/Result/Learned format
Brand consistency	No consistent palette/type	Some elements applied inconsistently	Palette + type + tone consistently applied site-wide
Deployment	Not live	Live but broken links/errors	Live, working URL, tested on phone and laptop
Integrity	Contains fabricated claims or testimonials	Mostly honest with minor exaggeration	Fully honest — every claim is backed by real, checkable evidence

Scoring: 6–9 = Beginner · 10–14 = Developing · 15–18 = Proficient
